

Camp Wired Student Guru Application

Part One: Self-Evaluation

Student Guru work description:

Student Gurus at Camp Wired help other students learn in a positive environment by providing advice, insight, and ideas on software that he or she is already is an expert. They are patient, kind, and provide positive feedback to the students with whom they are working. In addition to program help, Student Gurus are expected to sweep floors, take out trash, play outside with students, and run errands for teachers. They are expected to ask teachers what they need help with and follow directions well.

An ideal Camp Wired Student Guru has the following characteristics:

- 13 years old by the beginning of June 2009
- Has taken Camp Wired class(es) that he/she is applying to work and has taken supplemental classes at school or other camps as well
- Is willing to work with all student in all grade levels
- Is patient, friendly, honest, works well with others, kind, smiles frequently, is able to comment positively when working with others and follow directions the first time they are given
- Brings a unique skill set to Camp Wired classes and is willing to share those skill sets with others
- Positive attitude and is always eager to help
- Asks often if there is anything that can be done to help out

Self Evaluation: Please be as honest and thorough as possible.
